

Spice Up Your Saturday Evening with

Havdalah

At Kane Street Synagogue

Joey Weisenberg and friends lead the brief Havdalah prayers marking the end of Shabbat.

*We jam with drums and other instruments, smell the fragrant spices,
watch the braided candle glow and taste the sweet wine together.*

Dessert follows the service.

Each evening a different activity follows dessert.

November 20th at 5:45pm

We kickoff our Havdalah season with **Pizmon**, the Jewish acapella singers from Columbia/Barnard/JTS. Pizmon will teach us some songs and dazzle us with their creative singing. Pizmon sings a variety of genres, including liturgical pieces, Israeli rock, English parodies, Yiddish classics and children's songs. They perform for Jewish communities around the world. To find out more about Pizmon and even hear some of their music, please go to Pizmon.org
